Qian Ding, Ma Li, Wang Lili ed. Architecture and music continue to expand outward. Contact With the changing times, architecture and music has not only inherently interlinked spirit more and more in the form of external media architecture and music or into the art more comprehensive. Opera stage designer, architect, they considered different emphasis, because of the different functions of construction, the arena building is like an actor, express music reflects the story, is a concentrated expression of the music; historic buildings like an actor, she would speak disseminator of culture and music inseparable. Digital music, digital architecture, they can be transformed into each other by digital technology. In fact, the dance hall, concert hall, playhouse design and even mechanical design must take account of the music....
