

Puppies and Their Care (Classic Reprint)

Filesize: 1.39 MB

Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Jodie Wehner)

PUPPIES AND THEIR CARE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Puppies and Their Care Owning a dog is a serious responsibility. To enjoy the position of dog s master incurs obligation. The dog surrenders many of his natural rights and habits in return for the servitude he gives the human. The puppy is the perfect example of trusting loyalty. To him all the world s a stranger to be greeted. Not only each day but each moment of each hour of the day, he discovers something new in our world of humans, in which he must live. Life is an endless chain experience of play, discovery and thrills. Not a care worries his carefree soul. What scene on this earth holds more pure happiness than that of a litter of playing puppies-brothers and sisters in a family world that has not yet known separation! Consequently, a puppy, particularly if it is brot into a new home, should receive every consideration in the way of feeding, care, housing and training. At three months of age, it compares with the infant just out of the cradle; and to a great extent the same care which the child receives, should be given to the puppy. Need of Common Sense One should not hesitate to buy a puppy because of the fear that it cannot be cared for properly. The dog has an immense amount of reserve stamina which keeps it in health and activity, notwithstanding all the wrong administrations and lack of care the human master may be guilty of. Bring the puppy into the home as a member of your household, use common sense, and in nine cases of ten, he will grow up into a normal,...
