Rise: Giftedness, Creativity the Satisfaction of Our Work (Paperback)

By David Pafford

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The #1 leadership competency of the future is creativity according to a recent CEO poll. In a vastly changing world where unemployment is high and traditional skills can be outsourced or automated, the most valuable, sought after, and stable skills will be the ones with a high degree of creativity. Yet our very way of life has been programmed to make us consumers, to make us passive, and simply to be receivers. This took place even in the Church. Now you ve got to consume, life depends on it. But if all you do is consume, you ll risk becoming a common. In the future being a common consumer is about the riskiest move you could make. In another words it s better to create than to consume. It s healthier, more energizing and frankly more fulfilling. So if it s better to give, then you need to have something to give. To give is to create. And you were designed to be creative. Get ready to do some creating. Designed with small groups in mind, this journey will fundamentally...
