Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. GOOD LUCK, MRS. BROWN by Rita Keeley Brown .Things were going along so well, then all of a sudden, it s some kind of Hell! The wrap-around cover of the book is a drawing of the family done by the youngest child at the age of eight. This drawing and the above lines from a poem in the book describe the confusion and fear as mental illness took over the beautiful mind of the father of the family. Good Luck, Mrs. Brown tells of a seldom understood or discussed side of mental illness - the impact it has on the family of the person who is ill. It is a unique personal account of seven people of varying ages living through the same crisis situation. This book, although written by the mother, includes writings by the children as adults reflecting on their experience of their childhood. These reflections give great insight into what life was like for them and in their own words. The Introduction in Good Luck, Mrs. Brown explains, This is about the one thing I thought I could never survive - the break-up of my marriage and raising my children without a father. This may sound rather harsh and perhaps not very pleasant reading, but through it all there was a lot of love, humor, growth and tap dancing. (The tap dancing came in surviving the day until I could figure out what more sweeping steps I could take.) The reader will feel a strong sense of family throughout the book. A large family provides by its very nature endless opportunities for humor and challenge. There are innumerable slices of life with which most everyone can identify. A...
