Industrial Education in the South (Classic Reprint)

By A D Mayo

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Industrial Education in the South Sir: The accompanying monograph, prepared at the request of the Bureau of Education by the Rev. A.D. Mayo, relates to the subject of industrial education in the South. For the past eight years Dr. Mayo has been engaged in a ministry of education through all the Southern States. With no official relations, and with the sole end in view of observing educational affairs in the South, together with all forms of service and labor found to be practical in the communities visited, with the most hearty co-operation of the leading educators and public men everywhere, and the most kindly reception by teachers and pupils, his opportunities of studying the situation have probably not been surpassed. The great interest in the subject of the industrial education of both races through the school systems of the South, the extent to which this form of instruction has already been carried, the means available for its further development, and the practical ways of engrafting it upon the present school life of that region, have...
