THE VALUE OF TIME

Xulon Press, United States, 2009. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book was inspired by God for me to write while recovering from a surgical procedure. It provides understanding, direction and redirection to how to get back on God s kingdom plan. People in general have become so accustomed to being short or impatient with one another. We have forgotten how to be respectful, patient and kind to one another unless we are sucking up to get something. We ve got to change and treat ALL people how we want to be treated. Unfortunately, the body of Christ is in the same boat. Believers blend into the world, and no one knows the difference between believer and unbeliever. We must come back to the Bible s principles and be fruitful servants of God. Correction is needed. We can no longer overlook our shortcomings because our souls are suffering and so are those who want to become Christians. Veleria Henry is a positive single parent role model who loves to inspire and encourage everyone around her. Veleria enjoys helping others and has worked in law enforcement for 23 years. She is currently in Paralegal school and taking Bible courses to further her Christian knowledge. Veleria s future goal is to become a lawyer. She is a Notary Public for the State of Florida who has also completed training to become a Certified Signing Agent. Her Hobbies include church activities, sewing, cooking, and spending time with her son. Recently, Veleria has become a motorcycling enthusiast and looks forward to riding.
