

Oxford School Dictionary Thesaurus (Mixed media product)

By Oxford Dictionary

Oxford University Press, United Kingdom, 2012. Mixed media product. Condition: New. UK ed.. Language: English . Brand New Book. A one-stop dictionary thesaurus for upper primary students. The Oxford School Dictionary Thesaurus combines a comprehensive dictionary at the top of the page with a companion thesaurus at the bottom, for the upper primary student moving into secondary school. The dictionary contains clear simple definitions, up-to-date example sentences, and support on spelling, grammar and punctuation. The thesaurus provides thousands of up-to-date synonyms, arranged by the meaning that is closest to that of the headword, instead of alphabetically, to enable users to select the most accurate alternative. Having the dictionary and thesaurus entry on the same page makes it a very easy-to-use one-volume reference tool. It is powered by the Oxford Children s Corpus, a unique electronic database of millions of words of writing for children. Plus, for downloadable word games, puzzles, and activities, go online to the website.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- Meagan Roob
