## The Wisdom of Sam: Observation on Life from an Uncommon Child

By Daniel H Gottlieb

HAY HOUSE, United States, 2011. Paperback. Book Condition: New. 2nd. 212 x 136 mm. Language: English . Brand New Book. The Wisdom of Sam celebrates the precious gifts of life and the innocence of childhood. At the book s heart is the story of a grandfather and his remarkable grandson, who share an indelible bond. Each one faces a unique set of challenges--quadriplegia and autism. But the differences in age, outlook, and experience soon vanish as this extraordinary pair share universal truths about empathy, compassion, and forgiveness. After a near-fatal accident rendered him paralyzed, Daniel Gottlieb came to understand the importance of patience, acceptance, gratitude, and hope--qualities he sought to teach his young grandson, Sam. Yet when Gottlieb least expected it, their roles reversed and the student became the teacher. Sam s observations on his experiences--everything from grieving the loss of a beloved pet to facing his first night away from home--provide simple yet profound lessons on life, death, courage, fun, uncertainty, and joy. These lessons are gentle reminders of what we once knew, what we often take for granted, and what matters most.

### Reviews

*It is great and fantastic. Better then never, though i am quite late in start reading this one. Your life period will likely be transform once you comprehensive reading this book.*

-- Blanca Davis

*An extremely wonderful book with lucid and perfect information. It is one of the most awesome publication i have read. Your life period will probably be enhance the instant you total looking at this pdf.*
