Filesize: 5 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

50 PEOPLE WHO FOULED UP FOOTBALL

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, 50 People Who Fouled Up Football, Michael Henderson, Despite its immense wealth, and the high public profile it enjoys, English football is not a land of milk and honey. The national side has won the World Cup only once when England staged the tournament in 1966 and the woeful performances in recent years would suggest that Sir Alf Ramsey's success will retain its unique status. 50 People Who Fouled Up Football casts a sceptical eye on the game in this country. It looks at the game as it really is, through the gaze of an outsider, who grew up loving the game but who has been turned off by the excesses of players, managers, broadcasters and fans, and increasingly by the rich men who own and run the clubs. The big bang came in 1992, when the Premier League went its own merry way, aided by the millions that Sky television found to ease the passage. Now the game is richer, and can attract the world's leading stars, but it is poorer in spirit. The old football community means little to these Masters of the Universe. The old links between club and community have been ruined, and many players live in a different world, where they feel free to behave as they like. The book names the guilty, who include those on the fringes of the game as well as the ones at the heart of it. Indignant in the right sense, it is a lament for a spoilt game, and a world that has vanished. The 50 People are, in alphabetical order: Roman Abramovich, Sam Allardyce, Mike Ashley, David Baddiel, Tony Banks, Joey Barton, Ken Bates, Victoria Beckham, George Best, Sid and Doris Bonkers, Billy Bragg, Ashley Cole, Garry...
