Cancer Insights: Chronicles of a Couples Journey Through Breast Cancer (Paperback)

By Christopher F Bidwell

Christopher F Bidwell, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Carolyn and Christopher were living a normal existence when a positive biopsy for breast cancer changed their lives. This is a series of insights into what it is like to deal with cancer and the many facets of its treatment. This is from the perspective of a couple that were unaware of what would be involved in dealing with cancer but gained considerable knowledge of the treatment and lifestyle changes that occur. This book is called Cancer Insights since it illuminates many of the scary unknowns that women who are diagnosed with breast cancer will need to deal with. It is also for the family, friends and especially for the spouse of the cancer patient to glean some insights into what she is going through and how to deal with it. The book is a graphic novel in a sense. In a sense because each page is focused on a particular issue, an antidote or description of the common day to day things that a cancer patient and her spouse will deal with. The story is mostly told with images, drawn from real-life...

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publication I have gone through. I am just quickly will get a delight of reading through a published publication.
