

## First Mental Arithmetic Book 4 (Paperback)

By Ann Montague-Smith

SCHOFIELD SIMS LTD, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. First Mental Arithmetic provides carefully graded questions that develop children's essential mathematics skills. A downwards extension of the Schofield Sims bestseller Mental Arithmetic, the series comprises three workbooks for Year 1 (Books 1 to 3) and three for Year 2 (Books 4 to 6). The term mental arithmetic is usually associated with spoken questions. However, children using all the Schofield and Sims Mental Arithmetic materials read the questions themselves and write down their answers. A Language of Maths glossary helps to develop children's number vocabulary and three Check-ups assess children's understanding. The separate First Mental Arithmetic Answers provides answers to all questions contained in this book, plus additional resources for teachers. Book 4 includes: reading and writing two digit numbers, multiplication and division, halves, quarters and three-quarters, sorting objects, measuring lengths and reading scales.
