National Finance: A Review of the Policy of the Last Two Parliaments, and of the Results of Modern Fiscal Legislation (Classic Reprint)

By John Noble

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from National Finance: A Review of the Policy of the Last Two Parliaments, and of the Results of Modern Fiscal Legislation In a former work, entitled Fiscal Legislation, 1842-1865, the author endeavoured to present a clear and concise narrative of the fiscal changes adopted during that period, and of their effects upon the revenue, trade, manufactures, and employments of the United Kingdom. The favour with which that volume was received has induced him to comply with the request of many of his friends, by continuing the narrative to the present time. It is, no doubt, true that the measures of the period comprised in this volume are not equal in interest or importance to those of the time when the foundation of our modern system of finance was laid, and when the principle of protection to native industry, the fallacy of which had long been demonstrated, was successfully attacked and routed from one stronghold after another. The policy of the last Parliament is, however, by no means devoid of interest, and the discussions which took place,...
