Paint It Black: How Rock-N-Roll and Other Tools Are the Best Problem Solving Techniques (Hardback)

By Rom Werran Gayoso

First Edition Design eBook Publishing, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a self-reflection exercise designed to help readers overcome challenging problems through the use of specific problem solving techniques. In the introduction we learn about decision-making strategies that work in situations of uncertainty and we learn scenario planning - a technique invented in the 1960 s for the US Dept. of Defense, later adapted for use in the private sector. Each of the seven practical cases listed comprehend a short explanation of the context, a stated objective and a story. Each story is summarized and at the end of the chapter there is a guided self-reflection questionnaire to help the reader adapt the story to a specific problem they want to solve, followed by an exercise. This is not a feel good type of book, rather it is written with the intent to guide the reader through a series of seven self-reflection exercises designed to challenge and push us to overcome each specific challenge with the help of a decision-making technique. In other words, the reader is expected to actively use the exercises to find solutions to...
