

PMadvice: Training and Coaching IT Programme and Project Managers (Paperback)

By Ian Tomkins

Trafford Publishing, Canada, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.PMadvice is a book specifically written to teach IT Programme and Project Managers how to take a new business opportunity or requirement, from first initial thought to finished operational product. The book has been written by Ian Tomkins, a Senior Programme and Project Manager with over 20 years experience, working in a wide variety of industries including banking, investments, utilities, travel, ministry of defence, software development, and insurance to name but a few. The book is designed to take you, from project start to project completion, guiding you through the entire programme or project life cycle. Step by step you are taken through each phase, such as project initiation, requirements gathering, design, development, testing, implementation, decommissioning, etc. The book also provides vital information about how to perform the role of a programme or project manager, how to do the job, personal management skills, processes, procedures, good practice, troubleshooting and guidance. The book has been designed to, either be read from cover to cover, or be used as a reference guide as you progress through the project life cycle. The book can also...
