Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My name is Devin, but everybody calls me Sketch. I opened my own tattoo shop two years ago, and I ve finally gotten to the point where I m going to be able to give my wife everything she s ever wanted. I m going to be able to take time off and spend a day a week with her. In fact, tonight, I stopped and grabbed some wine, got her flowers, and those chocolates she likes. What I wasn t prepared for was to be met at the front door by her carrying her sh*t out. She loves me, but she s not in love with me anymore. What kind of bulls*it excuse is that? I ve left her alone too often, I ve been completely focused on one goal, and apparently she s sick of waiting. So here I stand. Half the man I was, p*ssed as f*ck, because while I was busy making a better life for us, she was under the impression I was leaving her lonely. I know one day she ll see what I ve been doing has been for us, and when that day comes. She can damn well come crawling back to me.
