Soul Writers, United States, 2013. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****. One of the greatest challenges in life is being yourself in a world that s trying to make you like everyone else. You don t have to settle! It s simply a choice you make every day, Shannon says. Her life looked perfect from the outside - great career, family, house, etc - but inside she was an empty shell. A marriage in trouble and no personal growth plan in place, Shannon struggled to survive each day. When the pain of remaining the same became greater than the pain of change, she realized that the first step to living the life she wanted meant leaving the life she didn t want. This lead her to the decision to end her marriage and begin her journey of self discovery. When we let go of what is no longer serving and supporting us, we will make room for what will. And like the caterpillar climbing out of its cocoon, it is a worthwhile trip. Shannon went from merely surviving each day to thriving by discovering her occuPASSION which she now wants to pass on to others by sharing her story with you.
