HCI Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ethics is about determining value; it s deciding what s worth doing and what doesn t matter so much. Business ethics is the way we decide what kind of career to pursue, what choices we make on the job, which companies we want to work with, and what kind of economic world we want to live in and then leave behind for those coming after. There are no perfect answers to these questions, but there s a difference between thinking them through and winging it. Strategic Organizational and Business Ethics Toolkit provides a framework for identifying, analyzing, and resolving ethical dilemmas encountered through working life.
