## THREE ESSAYS ON RELIGION

[DOWNLOAD](#)

Broadview Press. Paperback. Condition: New. 306 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. John Stuart Mill was one of the most important political and social thinkers of the nineteenth century, and his writings on human rights, feminism, the evils of slavery, and the environment are still widely read and influential today. Published after Mills death to avoid controversy, the three essays in this edition, Nature, Utility of Religion, and Theism, represent Mills considered position on religion. Mill argues that belief in a supernatural power holds us back, but that a conception of the meaning and value of being human, or Religion of Humanity, could make the world a better place. Essential in understanding Mills views on religion and his practical philosophy, these essays are also significant contributions to the philosophy and psychology of religion. Appendices include Mills other writings on religion, his early influences, contemporary reviews, and other 19th century writings on religion and science. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
