Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.British History is the second best of collection of best-selling books that reveal the origins and history of just about everything we can think of. In fact, as one wise man suggested, it is the history of everything you didn't realise you wanted to know about, until you found out about it. A must have for dinner conversations and pub chat the world over, this book of history will help to make you feel clever. In this edition we reveal the history of more of our favourite phrases and learn why blood is thicker than water, something bites the dust, we can be double crossed, what the graveyard shift is, why it can be cold enough to freeze the balls off a brass monkey and why that Cheshire Cat grins so often. There are hundreds more tales from history that explain how the English language became so rich and expressive. Then famous urban legends also get an airing including the creepy case of a frozen Walt Disney, the legendary stolen kidney story and did Keith Moon really drive his roller into a swimming pool? These tales are hilariously explained along with many others. Then the world's great mysteries are covered in ten minutes flat and the truth about Bigfoot, who really makes Crop Circles and what really happened to Glenn Miller, among others, is revealed. As are the true stories behind Little Miss Muffet, Old Mother Hubbard, Ring a Ring a Rose s and Pop Goes the Weasel. Many more of our childhood favourite rhymes are also exposed in all of their gory glory. Then, of course, the fabulous stories of The Molly Maguires, The Green Man, The Royal Oak,...
