Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CBS Publishers & Distributors Pvt. Ltd., 2008. Softcover. Book Condition: New. First edition. Practical microbiology for dental students for qualifying an examination, a microbiology student has to get through theory and practical exams separately. Though a large number of theory books in microbiology are available, no good book covering practical aspects is available. Keeping in view the above, a simple and comprehensive book on practical aspects of all sections of microbiology has been devised. This book has been divided into nine parts that include general bacteriology, serology! Immunology, parasitology, systemic bacteriology, mycology, virology, recent advances, spots and appendices. Each practical exercise ends with important questions and their answers which help the student to prepare for theory, practical and viva voce examination. This book is meant for BDS, BSc, BSc MLT, MSc, MSc MLT students and technical staff of medical (clinical) laboratories. It is a bench book containing well tried methods. This will also help the students preparing for postgraduate entrance examination Printed Pages: 165.
