Dept. of Commerce, National Oceanic and Atmospheric Administration, National Ocean Service, Center for Operational Oceanographic Products and Services, 2006 OCLC Number: (OCoLC)191104682 Subject: Hurricane Rita, 2005 -- Observations -- Popular works. Excerpt: . . . Hydrographic Planning Team members (l-r) Cary Wong, Craig Martin, Allison Stolz, and Carolyn Lindley. Data quality is another big concern for the HPT. With the stress of shifting priorities, long hours, and the number of platforms requiring critical information, the team members have developed specific qual-ity control procedures for ensuring data accuracy. Each team member is responsible for checking the calculations of other team members before the data are released. The HPT also takes pride in seam-less communication with each other, which is an important factor not only in data quality but also for resolving many issues before they become major problems. When asked about their work during the 2005 hurricane events, the HPT members recall the chaotic nature of the meetings and the different directions in which they were pulled both during and after the storms. Says Cary Wong, who...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
