

## Jazz Originals, Book #1 by Living Waters Jazz (Paperback)

By Richard Garber

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What is a Play-Along? Living Waters Jazz play-alongs consist of a music book with 8 songs (melody + chords) where an instrumentalist plays along with accompaniment tracks (mp3s - CD is available, see below) you download (approximately 70 megabyte zipped file). Great fun and an excellent form of practice for instrumentalists wanting to supplement their practice time or performance. For all instruments (key of C Treble Bass Clef), Bb and Eb. You and your band, that is, the accompaniment tracks - in 8 new and completely original jazz compositions. Mixed hot and to sound as if the band is right there with you! And the songs are short enough in length (you solo for 32 or 64 measures) so you can play all eight songs in one sitting. These play-alongs are meant for fun; either to supplement practice time or for performance, or even to use as band material for a small group. CD is available as a separate purchase. Search title ID: 2294191 or use this link: // Full demo versions of each track included in this book...
