Cambridge University Press, New Delhi, India, 2013. Softcover. Book Condition: New. Contemporary Indian Writers in English (CIWE) is a series that presents critical commentaries on some of the best-known names in the genre. With the high visibility of Indian writing in English in academic, critical, pedagogic and reader circles, there is a perceivable demand for lucid yet rigorous introductions to several of its authors and genres. The CIWE texts cater to a wide audience from the student seeking information and critical material on particular works to the general, informed reader who might want to know a little more about an author s/he has just finished reading. Cast in a user-friendly format and written with a high degree of critical and theoretical rigour, the texts in the series will provide astute, accessible, informed entry-points into a wide range of works and writers. CIWE, we hope, will further strengthen the interest in and readership of one of the most significant components of world literatures in English. A pioneer in Indian writings in English, R. K. All of these essential aspects of Narayans work come in for sustained attention in this eminently readable introduction by Mohan G. Ramanan. Ramanan posits a genealogical perspective on Narayans themes and concerns by locating these in intellectual contexts, such as the role of English in Narayans works and Indian Writing...
