Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROUSSEAU S DAUGHTERS (HARDBACK)

[DOWNLOAD PDF](#)

University Press of New England, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. In this lively interdisciplinary blend of history, education, and material culture, Jennifer J. Popiel examines ideological and cultural shifts in French child rearing and maternity from pre-Revolutionary France to 1833. She shows how ideals promoted in Rousseau s educational treatise Emile (1762) anchored women more firmly in private life by emphasizing their critical role in their children s early education and development. Emile marked the beginning of a widespread shift toward domestic nurturing, with an emphasis on self-control, autonomy, and gender difference. This domestic revolution not only drove new genres of literature, clothing styles, and toys, but as Popiel persuasively argues, it also set the stage for greater civic participation of women and children.
