## THE FIFTH WEEK SECOND EDITION

Loyola Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. What is THE FIFTH WEEK? Every Jesuit novice makes a long retreat at the full Spiritual Exercises of St. Ignatius Loyola. One month long, this retreat is divided into four flexible weeks of meditation: the first week is on the principle and foundation of life; the second on the life of Jesus; the third on the passion and death he suffered; and the fourth on the new, resurrected life of the children of God. And the fifth week is the rest of the Jesuits' life. The Fifth Week by William J. O'Malley, SJ, has sold over 26,000 copies since its first publication in 1976. Its pages have encouraged young men listening for their vocations and intrigued countless other readers with stories of Jesuit saints and martyrs, as well as ordinary Jesuits, each fulfilling his unique mission whether as carpenter, poet, mathematician, or mystic, each living according to his individual talents and interests, but all for the greater honor and glory of God. Because the accidentals of Jesuit life and training have evolved in the past two decades, this new edition updates the original by adding James Martin's new afterword in which he explores recent developments in Jesuit formation. Father O'Malley has updated other chapters to reflect educational initiatives and training programs launched in the wake of Vatican II. The body and soul of this Second Edition of The Fifth Week are still the stirring accounts of the lives and deaths of Ignatius the founder and Xavier the missionary to the East; of Campion, Ciszek, and Chardin in Europe; of Bruef and Lord and Pro in the West. We follow O'Malley's personal journey through questions and doubts to self-knowledge and the dynamic equilibrium of his commitment to life in the Society...
