Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

And are you then willing to aid in stimulating this system? Greater evils never threatened civilisation and religion, than the great cities which have been springing into existence within the last one hundred years. If we would save civilisation, religion, and the morality and happiness of our people, we must reform our towns. And one great step towards that end will be to do away with those causes, which drive so many of our agricultural population into them. Dr. Channing, in his Duty of Free States, says: -- To a man who looks with sympathy and brotherly regard on the mass of the people, who is chiefly in terested in the lower classes, England must present much that is repulsive. The condition of the lower classes at the present moment is a mournful comment on English institutions and civilisation. The multitude are depressed in that country to a degree of ignorance, want, and misery, which must touch every heart not made of stone. In the civilised world there are few sadder spectacles than the present contrast in Great Britain of unbounded wealth and luxury, with the starvation of thousands and tens of thousands, crowded into cellars and dens, without ventilation or light, compared with which the Wigwam of the Indian is a palace. Misery, famine, brutal degradation,...
