THE BIRDS OF PEMBROKESHIRE AND ITS ISLANDS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Birds of Pembrokeshire and Its Islands Having been compelled to resign the living of Bishop s Lydeard, in West Somerset, in consequence of long continued ill health, we were induced to settle in North Pembrokeshire on account of the healthiness of the climate; and were further led to select this remote part of the kingdom through anticipations of the sport to be enjoyed by its trout streams and on its moors. A time entirely given over to open-air pursuits was recommended as the best course to be adopted for the recovery of health, and we are thankful to state that this pleasant prescription met with entire success. Much of our eight years residence in the county, which was not without its clerical duties, as we became curate of our small parish, was devoted to a study of its birds. All the noted bird resorts were visited, as well as the various collections of stuffed birds we could hear of within the county; while from numerous sporting friends, and from others with a taste for natural history, whatever information they were able to impart was sought after and noted down. We now present the result; although meagre, it may serve as the foundation upon which an ampler account of the birds of the county may some day be based.
