Notion Press, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Think Before You Think is about why you do what you do. It is about: - why you are happy in one moment, miserable the next and elated in another - why the rich get richer, sick get sicker and lucky get luckier. It is about: - understanding how you live in an artificially created reality - how to exit the matrix, your mind creates by thoughts and emotions - how to find clarity, confidence, and connection in your life and business. Think Before You Think explains why: - it s not WHAT you do - it s not HOW you do It s all about how you THINK and FEEL. It s not the things in your life, it s your thinking behind the things that shapes your destiny. - Harish Gulati.
