Paperback. Condition: New. 78 pages. The heart of life is purpose and the purpose is the heart. Life is a journey. Purpose envisions the desired destination, guides the choice of paths, and provides the force of will for every step forward. Purpose is thus the heart of lifes journey. Purpose springs from our hearts, for a desired feeling is the true goal of all we pursue. But only one goal offers fulfillment of the deepest yearning of our hearts. Only the destination of love unburdened by condition and fear harbors the treasure we seek in our restless wandering through life. The experience of love is the real treasure we hope to find at the end of every path we choose. Yet it is not love that compels us. Where is the love in our fantasies of fear, anger, misery, greed and want that motivate so much of what we do Where is love in the many forms of attack and judgment we feel justified in making upon each other Where is love in all the distorted masks we wear Nay, it is the yearning for love that compels us, a yearning that springs from the perception of love denied. We can see this yearning most clearly in the transparent hunger of children, but the hunger for love is behind all the veils the mature human being has learned to draw across it. In the pursuit of wealth is the hidden hope of possessing love, in the pursuit of fame and prestige is the hope of inspiring love, in the pursuit of power is the hope of compelling love. We arouse guilt to demand love, we charm and manipulate to steal love. We seek love in the union of bodies, in making others idols of our desire, in attempts to enhance...
