Llewellyn Publications,U.S., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This ground-breaking book by brilliant debut author Sonja Sadosky shines new light on how three profound minds shaped the course of history. The fantasy novels of Dion Fortune, Marion Zimmer Bradley, and Diana L. Paxson influenced the image of the priestess in Neo-pagan and Goddess-centred spirituality throughout the world. The Priestess and the Pen shows how their work revolutionized womanhood, created space for women to reclaim their power, and energized the women s equality movement. Presenting a radical reinterpretation of the Goddess as four-fold rather than three-fold, The Priestess and the Pen adds dimension and relevance to the traditional Triple Goddess archetype in a way that has never before been considered with such daring reverence. This revolutionary work is poised to become the foremost historical resource and contemporary interpretation of the Pagan priestess, taking up the torch of Drawing Down the Moon and Triumph of the Moon.
