Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Mountain Press Publishing Company. Paperback. Book Condition: New. Lois Bradley (illustrator). Paperback. 48 pages. Dimensions: 8.8in. x 8.2in. x 0.2in. Everyone knows that trains helped build the West, but few know the story of Blind Tom, a sightless workhorse who pulled flatcars for construction crews on the world's first transcontinental rail-road. Stalwartly pulling his heavy load through rain, mud, and snow, Tom contributed in his own way to American history. Although Tom was blind, his strength and spirit led him to be chosen as the lead horse for the Union Pacific line. Hardworking, patient, and loyal, he was the pride of the UPRR. Telegraph operators tracked the rail workers daily progress by asking, Where's Blind Tom today? He even became a minor celebrity as reporters around the country picked up the story of the tenacious blind horse. As informative as it is entertaining, this charmingly illustrated book includes a map of the railroad route, a Things to Know page, and a list of museums and Web sites with information about railroad history. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
