Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Localization of Headache and Sick Headache: Indicating Their Origin, Pathology, Treatment For some years now it has been suggested, by those of my medical friends who were intimately acquainted with my observations and ideas on the Localization of some forms of Headache, that I should publish my further experience, and incorporate with it a Pamphlet, entitled: The Relation between Sick Headache and Defective Sight, issued in 1885, together with a Paper which I read before the Section of Ophthalmology, at the Annual Meeting of the British Medical Association, held in Glasgow in 1888, on General Neuroses having an Ophthalmic Origin. Encouraged by these suggestions, I have ventured to prepare this small volume, in the hope that it may prove useful in assisting in the diagnosis and treatment of many distressing forms of headache.
