Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Meltem Beste Kargoz (illustrator). Illustrated. Language: English . Brand New Book ***** Print on Demand *****. A brand new sixpence fresh from the Mint! How it sparkled and glittered in the dancing sunlight! Such a treasure for a small girl to possess! But then, on the other hand, what a heavy responsibility! All day long it had been burning a hole in her pocket, and as for learning lessons, not an idea would enter her head. Everything went in at one ear and out of the other, as Miss Primmer sternly remarked when Nellie could not say her poetry. But, indeed, Nellie did try hard to learn her lessons; she squeezed her eyes together as tightly as possible, though how shutting her eyes was to prevent the lessons from coming out of her ears was not very clear. But I must learn them now, she sighed, or Miss Primmer will keep me in tomorrow, and I shan t be able to go out with Nursie and Reggie to spend my sixpence. Oh dear! I wish I could learn my poetry and keep it in, I guess I d better get a bit of cotton wool to put in my ears and then it can t come out. There, now!.
