

## Best Practices in Engaging Online Learners Through Active and Experiential Learning Strategies (Paperback)

By Stephanie Smith Budhai, Ke Anna Skipwith

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Best Practices in Engaging Online Learners Through Active and Experiential Learning Strategies is a practical guide for all instructors and instructional designers working in online or blended learning environments who want to provide a supportive, engaging, and interactive student experience. This book explores the integration of active and experiential learning approaches and activities including gamification, social media integration, and project and scenario based learning, as they relate to the development of authentic skill-building, communication, problem-solving, and critical-thinking skills in students. Readers will find guidelines for the development of participatory peer-learning, cooperative education, and service learning opportunities in the online classroom. In addition, the authors provide effective learning strategies, resources and tools that align student engagement with course outcomes.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
