

## Moving the Mountain (Paperback)

By Charlotte Perkins Gilman

Wilder Publications, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Moving the Mountain is the first book in Charlotte Perkins Stetson Gilman's well known trilogy. The second book in the trilogy is her landmark classic Herland. Moving Mountain delivers Gilman's program for reforming society. She concentrates on measures of rationality and efficiency that could be instituted in her own time, largely with greater social cooperation - equal education and treatment for girls and boys, day-care centers for working women, and other issues still relevant a century later. Yet Gilman also allows for technological progress: electric power is the motive force in industry and urban society, power generated largely by the tides, wind-mills, water mills, and solar engines. Wilder Publications is a green publisher. All of our books are printed to order. This reduces waste and helps us keep prices low while greatly reducing our impact on the environment.
