

Pro Expression Blend 4 (Paperback)

By Andrew W. Troelsen

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2011. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. Pro Expression Blend 4 is for developers and graphical artists who want to learn the ins and outs of the Expression Blend integrated development environment. You may know already that this tool can be used to build Windows Presentation Foundation (WPF), Silverlight, and Windows Phone 7 applications; however, this book will take you well beyond the basics and provide you with a detailed examination of key Blend topics, including workspace customization, graphics, layout, styles, themes, data binding, and the use of SketchFlow, giving you an excellent understanding of the Blend product and what it can do for you. Over the course of these eight chapters, you will learn numerous techniques to simplify the authoring of XAML using Blend. These include: Transforming a vector graphic into a custom control template with a few clicks of the mouse Generating complex animations using an integrated timeline editor Visually designing interactive data templates Creating prototypes (via SketchFlow) that can be transformed into production-level code Throughout Pro Expression Blend 4, you ll work with both Blend and code to finalize fully-functional projects that will provide...
