EVALUATION FOR RISK OF VIOLENCE IN JUVENILES (PAPERBACK)**DOWNLOAD**

Oxford University Press Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Forensic mental health assessment (FMHA) has grown into a specialization informed by research and professional guidelines. This series presents up-to-date information on the most important and frequently conducted forms of FMHA. The 19 topical volumes address best approaches to practice for particular types of evaluation in the criminal, civil, and juvenile/family areas. Each volume contains a thorough discussion of the relevant legal and psychological concepts, followed by a step-by-step description of the assessment process from preparing for the evaluation to writing the report and testifying in court. Volumes include the following helpful features: BL Boxes that zero in on important information for use in evaluations BL Tips for best practice and cautions against common pitfalls BL Highlighting of relevant case law and statutes BL Separate list of assessment tools for easy reference BL Helpful glossary of key terms for the particular topic In making recommendations for best practice, authors consider empirical support, legal relevance, and consistency with ethical and professional standards. These volumes offer invaluable guidance for anyone involved in conducting or using forensic evaluations. This book places juvenile risk assessment within the context of FMHA for juveniles, so those using it will find it particularly useful to incorporate into their evaluations of risk and needs for adolescents in the juvenile justice system.
