

Managing International Political Risk (Paperback)

By -

John Wiley and Sons Ltd, United Kingdom, 1998. Paperback. Condition: New. New. Language: English . Brand New Book. Managing International Political Risk analyzes the changing nature of threats to international investment in the BEM s - Big Emerging Markets - such as China, Brazil, Russia, Pakistan, India, Venezuela, Vietnam, and the Philippines. The book examines the strategies developed by investors and lenders to deal with political risk in large oil, mining, and private infrastructure projects. The book provides essential reading for international business and corporate finance classes in business schools and economics departments. It offers valuable insights and practical advice for international corporations, banks, investment funds, and insurers as they search for methods to manage political risk in the contemporary period. Corporate strategies from Chevron, Exxon, Lloids of London, Citicorp, and Standard Poor s, among others, examine the tools, techniques, and strategies adopted by firms and financial institutions to offset or deter political risk. Together with leading academics, they assess the costs and benefits of project finance, non-recourse lending, alternative syndication structures, securization of export receivables, bullet bonds, local financial participation, offshore escrow accounts, multilateral guarantees, and public and private political risk insurance. They navigate the cutting-edge of new deal...
