State of the Sector Healthcare and Social Assistance: Identification of Research Opportunities for the Next Decade of Nora

By Department of Health and Human Services, Centers for Disease Control and Prevention, National Institute for Safety and Health

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Public awareness of the potential for healthcare to actually be the source of harm to patients through exposure to infectious agents, unintended error or known side effects of hazardous treatments has spawned a highly visible patient safety movement. Less visible, however, is the risk this same environment and these same hazards impose on the health of the women and men who work there. Although often thought of as clean and safe, workplaces in the Healthcare and Social Assistance (HCSA) sector are associated with many of the same types of exposures to chemicals and hazards found in blue collar industrial settings. The HCSA sector is burdened by the historical and entrenched belief that patient care issues supersede the personal safety and health of workers and that it is acceptable for HCSA workers to have less than optimal protections against the risks of hazardous exposures or injuries. Because patients and providers share the healthcare environment, efforts to protect patients and providers can be complimentary, even synergistic, when pursued through a comprehensive, integrated approach. In order to address occupational safety and...
