Brand New Book ***** Print on Demand *****.The new church at Thessalonica is under fierce attack. Opposing Jewish leaders have caused a riot and driven the church-planting team out of town. But amazingly, against all odds, the new congregation begins to grow and attract converts from the pagan population of the city. What s more, it becomes a model congregation among the fledging Christian movement in the Mediterranean region. 1 and 2 Thessalonians, written about 50 AD, are the earliest documents in the New Testament. They reveal the Apostle Paul s heart and passion as he seeks to guide this congregation towards health and balance. In 1 and 2 Thessalonians you ll learn important truths about Christ s coming -- specifically regarding the rapture and the Antichrist. Paul explains how to deal with overly-dependent members, God s grace in selecting his children, the heart and character of a disciple-maker, a high view of sexual purity, and keys to a healthy Christian congregation. This volume covers the two letters in nine lessons. Classes and small groups will find this a helpful curriculum guide to their study 1 and 2 Thessalonians with links to free participant handouts, as well as thorough preparation for the leader. Thought-provoking questions will stimulate many insightful discussions. These heavily-footnoted lessons provide most of the research that preachers and teachers will need. At the same time, these lessons will inspire and challenge the individual reader to grow as a disciple.
