

## William of Germany (Classic Reprint) (Hardback)

By Stanley Shaw

Forgotten Books, 2018. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from William of Germany Men s evil manners live in brass; their virtues We write in water. Who, asks Heine, can name the artist who designed the cathedral of Cologne? In this regard the biographer of an emperor is almost as dependent as the historian. The (biography of an emperor, again, must be to a large extent, the history of his reign, and in no case is this more true than in that of Emperor William. But he has been closely identified with every event of general importance to the world since he mounted the throne, and the world s attention has been fastened without intermission on his words and conduct. The rise Of the modern German Empire is the salient fact of the world s history for the last half-century, and accordingly only from this broader point Of view will the Emperor s future biographer, or the historian of the future, be able to do him or his Empire justice.
