By Rose Gonnella, Christopher Navetta, Max Friedman

Pearson Education (US), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. They'll learn about the history of letterforms, the anatomy and physiology of type, the basics of measurements and spacing, how to recognize and choose type for design projects, and more. Fun and fast-paced, this creative notebook isn't required reading, it's desired reading; and it's the third in a series of Design Fundamentals books that students will want to keep and enjoy long after they've mastered these basic building blocks of design. This book includes: \* Core instruction on the history, anatomy, and structure of type \* Direction on the basics of measurement and spacing: leading, kerning, indents, and line lengths both in text and display sizes, and optical measurement...
