Many psychologists, and educational and learning experts have studied the relationship between learning and humor, and found, humor lowers defenses making it easier to learn new things. Psychological studies have found, Learning is easier and more readily absorbed when laughter is involved making you more relaxed and more receptive to understanding new concepts. Here s a preview: Joe s wife was on a business trip at a convention in Las Vegas that was poorly attended so she came home late at night one day early. She quietly put her bags down and tip toed up the stairs and quietly opened the door to the bedroom. As the door opened wider, the dim light from the hallway illuminated the bed and she was shocked to see 4 legs under the covers instead of two! She reached for a 5-iron...
