Brilliant Publications, United Kingdom, 2014. Paperback. Condition: New. Language: French . Brand New Book. Sophie, Nadine and Emilie are playing with Sophie's cat. They are talking about what animals their brothers like. The boys like rats and snakes, but the girls don't. What do Luc and Daniel do to surprise the girls? Luc adore les serpents is one of the stories in Learn French with Luc et Sophie, a story-based scheme for teaching French in primary schools. Written entirely in French this original, fun story uses repetitive phrases and simple sentences to embed vocabulary and language structures making it ideal for French beginners. With engaging, full colour pictures and simple language on every page, this book can be read to, by and with children of any age. Children with early French language skills will gain confidence, and develop their language skills, when they realise they are able to read and understand a storybook in French. A picture to colour and talk about on the last page will help to develop all four language learning skills - reading, writing, speaking and listening.
