Natalie Selena Bee, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Praises to My King: Christmas Messages from the Heart are poetic writings that acknowledge the birth of her Lord and Savior Jesus. For many years these messages have been written and shared with a countless number of people. They are read at many church services, dinners, family gatherings, etc. They speak of the love, hope, and joy that is found during the Christmas season. Such a priceless gift to behold. Such an honor to utilize the gifts and talents she has been blessed with. Natalie used to purchase Christmas cards written by other people. There came a point where she felt she could write my own Christmas card. It would encompass my faith and my beliefs. Each piece always has something new to reflect upon and ultimately share with others. The Christmas messages that come from my heart could be written in my style. I enjoy writing poetry. It has become a passion of mine for many years. This year, it was time to put several of these Christmas poems into a book. What a great way to share the message of Christmas. Her 2017 Christmas poem is also in the book entitled, God's Love: Taking a Stand for the King. With all that is going on in the world, people need a reminder of what this season represents. Love is something that greater than any kind of negative force that makes people become disenchanted with day-to-day life. There is hope and joy to be found. Jesus's birth represents that for her and millions of others. Sometimes we just need a little reminder. Words of comfort, inspiration, and strength flow as she writes about life and the goodness of God....
