Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The spirituality of work ethic is an often overlooked, and sometimes, demonized aspect of Christian life. This book offers an insightful and practice perspective on the coexistence of faith and career ambitions and success. Going against the innate desire to live out our gifts and talents simultaneously as we live out our faith convictions feels like treason to our souls. Work ethic is the heart and soul of service and faith. When people of faith and a good conscience are the highly skilled, leaders and decision-makers in society, then peace prevails.
