He survives on the streets in and around the Love Park, Suburban Station area of center city blending in with the rest of the homeless population. The journey continues as Harry endures the struggle of homelessness and street survival, as the hardship of a weak economy and poor job market plays against him. But through these struggles, Harry s eyes are opened to the harsh reality and he finds himself seeking a new purpose for living. After one night of catharsis, he miraculously experiences a life altering event, that would compel him to dedicates his life as a promise to God, to changing the lives of others, using the most tangibly bizarre methods of giving back. Driven by the motivation of the occupy movement, his philanthropic acts are a symbol of silent protest against corporate greed of the one-percenters. This is a hero s story that will have you praising the good guy in the end. This is a breathtaking homeless adventure.
