

US-Indian Strategic Cooperation into the 21st Century: More Than Words

By Sumit Ganguly, Andrew Scobell, Brian Shoup

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, US-Indian Strategic Cooperation into the 21st Century: More Than Words, Sumit Ganguly, Andrew Scobell, Brian Shoup, In this edited book, leading scholars and analysts trace the origins, evolution and the current state of Indo-US strategic cooperation. During the Cold War, owing to opposing grand strategies, the two states frequently found themselves at odds. With the end of the Cold War and the demise of the Soviet Union, Indo-US security cooperation started in a fitful fashion, but in recent years it has acquired considerable stability. The armed forces of the two states have participated in exercises on land, sea and air and have also carried out joint humanitarian missions. Drawing on new information and with contributions from both academics and policy makers, this wide-ranging volume analyzes the strategic convergence of the world's two largest democracies, whilst explaining why important differences do remain. These notably include questions pertaining to the future of India's nuclear and ballistic missile programs, US-Pakistan ties and India's links with Iran. This volume will be of great interest to students of South Asian politics, Asian security, US foreign policy and security studies in general.

Reviews

This is the greatest book i have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publish this ebook.
-- **Adan Dickinson**

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
