Would-be dancers who have longed to learn the intricacies of this ancient dance form can now experience the pleasure of learning and mastering all the basic steps, putting together an individualized routine and adding magic to their performance with veils, swords, and the tiny finger cymbals known as zills . Each complex movement of the body is painstakingly broken down into concise step-by-step directions that are easy to follow. Perfect for the basic beginner, the instructions also offer alternatives and additions to the movements to accommodate a dancer's growing skill.
