

## Companion Dragons Tales Volume Two: Finding Waxy (Paperback)

Filesize: 4.12 MB

### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Michael Spinka)*

**COMPANION DRAGONS TALES VOLUME TWO: FINDING WAXY (PAPERBACK)****DOWNLOAD**

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From Pro Se Productions- The next chapter in its debut line from its YOUNGPULP! imprint- Companion Dragons Tales Volume Two: Finding Waxy! Roger Rusty Rustman is a very secretive fellow-and with good reason. He s not only an untrained wizard who uses forms of magic that are frowned upon, and trades in enchanted items that aren t exactly approved of; but he travels to dangerous places that other magical people avoid, and then writes about them anonymously. From his questionable recreational hobbies he has built a tidy second income along with a stockpile of magical resources. Over the years Rusty has gained a reputation as a shady character who operates on the fringes of the Wizards and Witches Council code of ethics while flaunting Wordsmith Guild regulations; but he s really just a quiet and modest writer mage who enjoys a bit of adventure now and then. The last thing Rusty needs is a small but very noticeable companion tagging along. Unfortunately, while on his latest trip out to the magical otherworlds, he finds a very large abandoned egg that decides to hatch unexpectedly in his vacation cabin. That begins an entirely bizarre and mystifying set of events that only the cooperation of a spunky and intelligent little rainbow colored dragon can get him out of safely. Pro Se Productions proudly presents Companion Dragons Tales Volume Two: Finding Waxy by Roger Stegman and Nancy A. Hansen, a series in Pro Se s YoungPulp! imprint. This imaginative adventure expands the world of dragon familiars and their humans introduced in the first volume and brings a new voice into the storytelling. Hansen and Stegman weave words like the best wordsmiths they have created, making Companion...
